Exterior Media NL **Creative**
2014 - Present

Working as an all-round creative – part of marketing and communications – creating concepts and ads, maintaining the Exterior Media identity and advising clients on creative approaches for Out-of-Home advertising.

Square Melon NL **Concepter / Designer**
2012 - 2014

Working as an Concepter, creating 360° concepts based on various inputs from clients in collaboration with copywriters & illustrators and providing the overall visual appearance in various campaigns.

Metro Int. **Designer**
2007 - 2012

Working as a digital designer for various clients, creating campaigns & concepts (ATL and BTL), making illustrations, retouching images, providing guidance (photographers, creative directors etc.) and maintaining Metro's corporate identity.

Edwinstam.nl **Designer**
2007 - 2007

Working as a freelance designer for several clients like HemsHaven, Post & Eger and Pfatz creating illustrations, layouts and complete publications.

Cayenne Communications **Designer**
2003 - 2006

Working as part of a small extremely experienced tightly knit team managing the Canon account, production of ATL Global Advertising campaigns and Localisation, BTL Product Brochures, Leaflets and wide array of many other products.
